

Call for Participation

We invite you to join us in **8th International Conference on Bioinformatics and Bioscience (ICBB 2021)**

This conference will act as a major forum for the presentation of innovative ideas, approaches, developments and research projects in the area is the application of information science and technology to the field of biology to increase the understanding of all biological process. The aim of this conference is to publish all the latest and outstanding research articles in all areas of bioinformatics and Biometrics. Researchers and scientists from the fields of biology, computer science, mathematics, statistics and physics are invited to share their developments and new techniques in the fields of Biometrics and Bioinformatics.

Highlights of ICBB 2021 include:

- 14th International Conference on Network Security & Applications (CNSA 2021)
- 8th International Conference on Artificial Intelligence and Applications (AIAP 2021)
- 8th International Conference on Data Mining and Database (DMDB 2021)
- 11th International Conference on Computer Science, Engineering and Information Technology (CCSEIT 2021)
- 10th International Conference on Information Theory (IT 2021)
- 10th International Conference on Mobile & Wireless Networks (MoWiN 2021)
- 2nd International Conference on Natural Language Processing, Information Retrieval and AI (NIAI 2021)
- 2nd International Conference on Signal Processing and Machine Learning (SIGML 2021)
