

Call for Participation

We invite you to join us in **10th International Conference on Information Theory (IT 2021)**

This conference will act as a major forum for the presentation of innovative ideas, approaches, developments and research projects in the area will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Information Theory. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on understanding modern Information Theory concepts and establishing new collaborations in these areas. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the areas of Information Theory and applications.

Highlights of IT 2021 include:

- 14th International Conference on Network Security & Applications (CNSA 2021)
- 8th International Conference on Artificial Intelligence and Applications (AIAP 2021)
- 8th International Conference on Data Mining and Database (DMDB 2021)
- 8th International Conference on Bioinformatics and Bioscience (ICBB 2021)
- 11th International Conference on Computer Science, Engineering and Information Technology (CCSEIT 2021)
- 10th International Conference on Mobile & Wireless Networks (MoWiN 2021)
- 2nd International Conference on Natural Language Processing, Information Retrieval and AI (NIAI 2021)
- 2nd International Conference on Signal Processing and Machine Learning (SIGML 2021)
- 2nd International Conference on Cloud and Internet of Things (ICCIoT 2021)

Registration Participants

Non-Author / Co-Author/ Simple Participants (no paper)

250 EURO (With proceedings)
