

Call for Participation

We invite you to join us in **2nd International Conference on Signal Processing and Machine Learning (SIGML 2021)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Signal Processing and Machine Learning. The Conference looks for significant contributions to all major fields of the signal processing and machine learning in theoretical and practical aspects. The aim of the Conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of SIGML 2021 include:

- 14th International Conference on Network Security & Applications (CNSA 2021)
- 8th International Conference on Artificial Intelligence and Applications (AIAP 2021)
- 8th International Conference on Data Mining and Database (DMDB 2021)
- 8th International Conference on Bioinformatics and Bioscience (ICBB 2021)
- 10th International Conference on Information Theory (IT 2021)
- 10th International Conference on Mobile & Wireless Networks (MoWiN 2021)
- 2nd International Conference on Natural Language Processing, Information Retrieval and AI (NIAI 2021)
- 11th International Conference on Computer Science, Engineering and Information Technology (CCSEIT 2021)
- 2nd International Conference on Cloud and Internet of Things (ICCIoT 2021)
